Brigham Staff Recognized for the Brigham Way

On Dec. 15, a group of Brigham staff were recognized during a Brigham Way luncheon hosted by Brigham President Robert S.D. Higgins, MD, MSHA. The event, held quarterly, honors the many ways staff go above and beyond to make the Brigham an extraordinary place to work.

In total, 54 individuals and seven teams were **nominated for The Brigham Way** by their colleagues.

The Brigham Way recognizes employees who foster a culture of excellence, respect and professionalism by going above and beyond their duties to create an exceptional Brigham Experience for our patients and our colleagues.
