SPOTLIGHT**

the Franca Fund

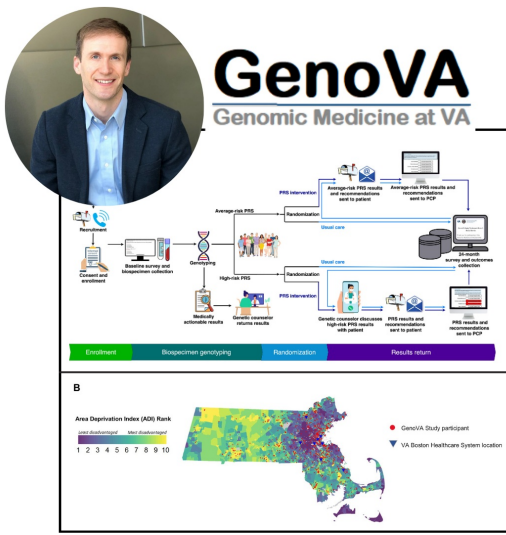

THE FRANCA FUND Co-founder of The Franca Sozzani Fund for Preventive Genomics and son of the late Franca, Francesco Carrozzini, was **awarded** for his outstanding contributions to the Fund at the the Fashion4Development (F4D) banquet in NYC in September. He appeared with supermodel Bianca Balti, who is passionate about the transformative impact of preventive genomic screening. Read about the event [here](#). This award signifies five years of implementing the promise of precision medicine and an excellent way to celebrate the five year anniversary of The Franca Fund.

CONFERENCES The 2nd annual meeting of the [International Consortium on Newborn Sequencing \(ICoNS\)](#) was a success! [Drs. Robert C. Green and Ingrid Holm](#) shared progress updates on [The BabySeq Project](#) alongside leaders in newborn sequencing, with individuals from over 37 different countries. Read more about ICoNS'23 in [G2P's most recent blog post](#)

ADVISORY BOARD We are thrilled to share that [Mike and Ann Marie Einziger](#) are the [2023 Advisory Board members of the year!](#) Since joining the Board two years ago, Mike and Ann Marie have consistently demonstrated their commitment to supporting G2P's mission in many ways, including hosting a dinner at their home in April to generate awareness for preventive genomics.

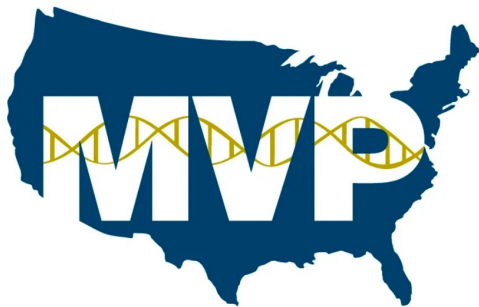

PUBLICATIONS

[Genomes2Veterans \(G2V\)](#) published their latest paper about the [Genomic Medicine at Veterans Affairs \(GenoVA\)](#) study in which they evaluate the clinical utility of implementing polygenic risk scores (PRS) in primary care. They will investigate whether the use of PRS shortens time to diagnose patients with various health conditions and impacts what additional tests physicians order.

CONFERENCES

Congratulations to Sheyenne Walmsley and Janelle Shea for their outstanding participation in the [American Society of Human Genetics annual meeting](#). Sheyenne won the **Reviewers' Choice Award** for her poster on community engagement in [The BabySeq Project](#). Janelle gave a platform presentation to a jam-packed room on learnings from the [Precision Population Health \(PPH\)](#) partnership with Corewell Health.

PRESS We join G2V in celebrating an amazing milestone, as the [Million Veteran Program](#) enrolled its [millionth Veteran in November](#) in the largest such database in the world, which includes genetic information, medical records, and even diet and environment exposures.

Your gift makes a difference. Please consider [supporting](#) our work.
